Music is magic, especially in the Monadnock region during the beautiful summer months!

Becoming a Monadnock Music member ensures you a summer full of world-class music at your front door. Ticketed Concerts bring innovative programming and well-known musicians to Peterborough.

Village Concerts help connect friends and family to enjoy the immediacy of small concerts in intimate settings. These concerts are ideal for families with children to experience world-class music in a welcoming environment.

Monadnock Music in the Schools

Our year-round education program provides a valuable, creative experience through interactive performance-demonstrations in local elementary schools. Musicians demonstrate families of instruments, hold Question & Answer sessions, and teach key musical concepts, showing that practicing and performing music helps to develop important life skills, such as concentration, team work, interpretive and critical thinking, and problem solving.
